

Data Sheet Clax Trolley

About Clax

When the city is waiting, take it out! With CLAX heavy lifting never gets out of style. It is strength unfolded, carrying up to 120 pounds on two levels. It is a state-of-the-art aluminum construction for high performance in an urban environment. Whatever your challenge is – private or business – CLAX will take it. Take it to grocery shopping, band rehearsal or use it to improve your company. Within seconds it is folded, from the shape of a cart to the size of backpack, easy to store. Start rolling!

Think Green

NO BAG – NO CAR: Don't worry about traffic. Open the door and find a new way to rock city life. When you return and unload, no packing material will be left over. Plastic bags are history. This is one of the reasons we gave CLAX a green color scheme. Take CLAX, think green.

FAQ

Q: What is the load capacity of CLAX?

A: CLAX can carry up to 60kg/133lbs on both trays. The upper tray carries 40kg/88lbs, the lower 20kg/44lbs.

Q: Can I use CLAX in any weather condition?

A: CLAX was designed for outdoor usage. It consists of weather resistant plastic and aluminum.

Q: Do I have to assemble CLAX before I can use it?

A: We ship CLAX fully assembled. All you have to do is to attach the wheels.

Q: How does CLAX handle stairs and steps?

A: The back wheels of CLAX are exposed. CLAX can be pulled up easily over short stairs, steps or the sidewalk.

Highlights

- **FOLDING** // CLAX is straightforward. At the touch of a button it shows its flexibility. Push the button, pull the handhold and unfold. The same works vice versa.
- **EASY STORAGE** // Don't care about space. CLAX is super slim. Fold it up and stow it wherever you want. In the garage, in your car, in your apartment, behind the shelf. There is always room for CLAX.
- **ERGONOMIC** // Don't care about carrying. CLAX is easy to move and can be pushed on any flat surface. Solid rubber wheels make rolling easy and effortless.

JEKA[®]SHOP

- GREEN MONEYSAFER // No fuel, no plastic bags, no worries. Be green. Leave your car, take your cart. Use CLAX for your short distance tasks.
- EASY TO USE // Three years of development for two seconds: The time you need to unfold CLAX. No instructions needed. Everybody can do it.
- HIGH QUALITY // Efficiency meets effectiveness: CLAX is high quality made in Germany. Weather resistant aluminum and plastics make CLAX solid as a rock, carrying up to 132 pounds.
- VANISHING WHEELS // Detach the wheels and make CLAX super slim. Every wheel can be removed individually. Just push the button next to it. Then stow the wheels on the underside.
- SLIM FIT // With or without wheels, CLAX fits everywhere. Under the sofa, in the trunk or any place you find. And by the way: CLAX stands by itself in an upright position.
